**INTERVIEW SUMMARY**

Sir:

Pursuant to the requirements of 37 C.F.R. § 1.133 and MPEP § 713.04, Applicants submit this Interview Summary. This Interview Summary is a summary of the in-person interview between Examiners Hussain and Prieto, inventors Zheng and Teo, Mr. Yarbrough of Calyptix (the Assignee) and John Alemanni (Applicants' representative) on January 3, 2008. Applicants respectfully request that this Interview Summary be entered into the record of the above-referenced application.

During the interview, claim 1 was discussed in relation to the Beavers reference. The Applicants presented arguments as to why Beavers did not disclose each and every element of claim 1. Applicants agreed to amend claim 1 based in part on the discussion during the interview. Applicants also agreed to consider each of the references listed in the Conclusion section of the Office Action mailed September 11, 2007. No agreement was reached regarding particular amendments to the claims.

The Examiners are invited to contact the undersigned by telephone to discuss any matter related to the Application and this Interview Summary.

Respectfully submitted,

Date: January 9, 2008
